Money fund

An investment in a money market fund is neither insured nor guaranteed by the FDIC or any other government agency. Although money market funds seek to preserve the value of your investment at $1.00 per share, there can be no assurance that will occur and it is possible to lose money should the fund value per share fall. Moreover, in some circumstances money market funds may be forced to cease operations when the value of a fund drops below $1.00 per share. In that event, the fund's holdings would be liquidated and distributed to the fund's shareholders. This liquidation process could take up to one month or more. During that time, these funds would not be available to you to support purchases, withdrawals, and if applicable, check writing or ATM debits from your account.

Exchange traded & closed end funds

Citi Investment Research & Analysis (CIRA) ratings may be shown for certain closed-end funds. All research ratings represent the "opinions" of the research provider and are not representations or guarantees of performance. Because the research report contains more complete information regarding the analyst's opinions, analysis, and rating, you should read the entire research report and not infer its contents from the rating. CIRA closed-end fund recommendations include an investment rating and a risk rating. The Investment Rating code (1,2, 3) is based upon CIRA's expectation of the security's performance relative to its peer group of closed-end funds. The Risk Rating (L, M, H or S) represents the fund's expected risk, taking into account the quality and liquidity of the underlying securities, financial leverage and foreign currency exposure. Please refer to the end of this statement for a guide describing CIRA ratings.

Closed end investment companies are grouped below by portfolio designations. Gain/Loss is provided to assist in tax preparation. It is not intended to calculate investment returns or performance.

Consulting Group Research (CGR) conducts on-going research on a wide variety of exchange-traded funds for certain investment advisory programs. Your individual exchange-traded fund holdings in your brokerage account may or may not be covered by CGR. Please contact your Financial Advisor for further information regarding whether your exchange-traded fund holdings are covered by CGR.
